Vinyl Wrap Care Guide

Proper Maintenance for Your Vehicle Wrap

1. Regular Washing

- ⢠Hand wash with gentle automotive detergent
- ⢠Use soft cloth or sponge to avoid scratching
- ⢠Rinse thoroughly with clean water
- ⢠Air dry or use microfiber cloth

2. Removing Tough Stains

- ⢠Soak affected area with warm soapy water
- ⢠Let sit for several minutes
- ⢠Gently wipe away with soft cloth
- ⢠Use isopropyl alcohol (diluted 2:1) for persistent stains

3. Protecting Your Wrap

- ⢠Park in covered areas when possible
- ⢠Use car cover for extended outdoor parking
- ⢠Avoid prolonged exposure to direct sunlight
- ⢠Rinse salt and road chemicals regularly in winter
